This is the last week of Music Classes for this school year, and I am sad to see it ending without seeing you all in person. I hope you learned a little bit about music and were exposed to at least some music that you enjoyed.

For my 4<sup>th</sup> graders, I hope to see you next year in Core Music again! I have some great ideas for next year and I am eager to be back in the classroom (I hope) and making music with you again in the fall.

For my 5<sup>th</sup> graders, I wish you the best as you move on to Middle School. I hope music will continue to be a part of your life in some way, and I hope I will see you all again at some point!

#### • Music Listening:

- J.S. Bach is one of the greatest composers to ever live, and his 6 Cello Suites for Unaccompanied Cello are among his most beloved compositions. You will be listening to the Prelude from Suite No. 1 in G Major, which is one of my favorite pieces of music of all time, played by one of the greatest cellists the world has ever seen, Yo-Yo Ma. Enjoy!
- Complete a [Music listening log](#) and email your completed log to [leppardh@pvpusd.net](mailto:leppardh@pvpusd.net) or post it on our Teams page.
- **This week you will listen to:**
  - **Title:** *Prelude* from Cello Suite No. 1 in G Major
  - **Composed by:** J.S. Bach (1685-1750)
  - **Watch it here:** <https://youtu.be/1prweT95Mo0>

#### • Music Composition

- Just in case you didn't get a chance to finish your composition last week, I am including it in this week's lesson plan. If you already did it- awesome! You are done (or you could do another one for fun!)
- You be the composer! Print out the [Composition Worksheet](#) and follow the directions to compose your own piece of music for the recorder. Make sure it is not too difficult for

you to play! Bonus points if you send me a recording of you playing your composition. Email me your final composition at [leppardh@pvpusd.net](mailto:leppardh@pvpusd.net).
